सतलुज-यमुना नहर पर व्यय की गई धनराशि

4385. **श्री रामजी लाल:** क्या जल संसाधन मंत्री यह बताने की कृपा करेंगे कि:

(क) क्या सरकार को इस बात की जानकारी है कि केन्द्रीय सरकार और हरियाणा सरकार ने सतुलज-यमुना नहर के निर्माण कार्य पर क्रमश: 500 करोड़ और 200 करोड़ रुपए खर्च किए हैं; यदि हां, तो पिछले तीन वर्षों के दौरान राज्य को इस नहर से कृषि क्षेत्र में क्या लाभ हुआ है;

(ख) यदि नहीं, तो पिछले तीन वर्षों में इस नहर से कितना नुकसान हुआ है;

(ग) हरियाणा के लिए इस नहर को तुरन्त चालू करने के लिए सरकार ने क्या कार्रवाई की है; और

(घ) तत्संबंधी ब्यौरा क्या है?

शहरी विकास मंत्रालय और जल संसाधन मंत्रालय में राज्य मंत्री (श्री पी. के. थुंगन): (क) से (घ) राज्य सरकारों से सूचना एकत्र की जा रही है तथा सभा पटल पर रख दी जायेगी।

Erosion of Land on the Bank of Ganga/ Padma Rivers in West Bengal

4386. SHRI GHUFRAN AZAM: Will the Minister of WATER RESOURCES be pleased to state:

(a) whether it is a fact that the State of West Bengal has not taken any concrete steps to prevent the continuing erosion of land on the right bank of Ganga/Padma rivers from the downstream of Farakka Barrage leading to likely submergence of Murshidabad district;

(b) whether the State has not been adhering to abide by the guidelines issued by the Central Government for the purpose;

(c) whether Central Government propose to initiate immediate action to protect the district in order that human lives etc, are not lost further; and

(d) if so, the facts and details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND THE MINISTRY OF WATER RESOURCES (SHRI P.K. THUNGON): (a) Government of West Bengal has been taking necessary pallative measures to counter erosive action of the river depending upon the gravity of the situation, availability of funds and economic viability of the scheme. During 1994-95, State Government has taken up execution of anti erosion works at Shekhalipur and Chintamony villages P.S. Lalgola District of Murshidabad.

(b) So far there has not been any occasion when the State Government has not taken care of the guidelines issued by the Central Government for the purpose.

(c) and (d) Anti erosion works are planned and executed by the State Government out of their own plan funds according to their own priorities. The Centre renders assistance that are technical, catalytical and promotional in nature.

Participation in Water Management Sector through BOT Schemes

4387. SHRI V. HANUMANTHA RAO: Will the Minister of WATER RESOURCES be pleased to state:

(a) whether Government have formulated any policy for international participation in the water management sector through Build-Operate-Transfer (BOT) schemes;

(b) if so, the details thereof;

(c) whether it is a fact that some proposed irrigation projects in Andhra Pradesh are ideal for BOT principles; and

(d) if so, the status of these proposals?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND THE MINISTRY OF WATER RESOURCES (SHRI P.K. THUNGON) (a) No, Sir.

(b) to (d) Does not arise.

Modernisation of Krishna Delta

4388. SHRI PRAGADA KOTAIAH:
SHRI B.K. HARIPRASAD:
SHRI NYODEK YONGGAM:
Will the Minister of WATER RESOURCES be pleased to state:

(a) whether a proposal from the Andhra

Pradesh State Government has been received for sanction of a scheme to modernise the Krishna Delta; if so, at what cost;

(b) the details of the scheme and the stage at which it stands;

(c) whether the aqueduct under Krishna Delta has been increased without providing facilities for supply of water for irrigation of the additional aqueduct; and

(d) what is the original aqueduct and the present aqueduct under Krishna Delta?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND THE MINISTRY OF WATER RESOURCES (SHRI P. K. THUNGON): (a) and (b) Modified project Report for modernisation of Krishna Delta system envisaging remodelling of the main canal, branch canals, major and minor distributaries including lining, construction of additional regulators, cross drainage works and bridges, improvement of existing regulators, bridges, etc. at an estimated cost of Rs. 425 crores was received in the Central Water Commission in January, 1986. The project was sent back to the State Government in December, 1988 due to non-compliance of observations of Central Appraising Agencies. The State is required to submit modified report.

(c) and (d) The original ayacut under Krishna delta System is 488000 hectares. The proposal for modernisation of Krishna Delta System has not been finalised.

Shortage of Water Supply at Krishna Delta

4389. SHRI B. K. HARIPRASAD:
SHRI NYODEK YONGGAM:
SHRI PRAGADA KOTAIAH:

Will the Minister of WATER RESOURCES be pleased to state:

(a) whether Government is aware of the fact that there has been a severe shortage of water supply due to drought which is insufficient to raise seedlings in Krishna Delta resulting in non-release of water from Nagarjuna Sagar reservoir required for seedlings and transplantations of the aqueduct of Krishna Delta;

(b) whether Government have since received a proposal from the Andhra Pradesh state Government to take up Palichintala project to solve the problem of short supply of water to Krishna Delta aqueduct; and

(c) the cost of the project and at which stage it stands?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND THE MINISTRY OF WATER RESOURCES (SHRI P. K. THUNGON): (a) Nagarjunasagar Reservoir is operated by the Government of Andhra Pradesh as per reservoir operation schedule drawn by them. No report about short supply of water to raise seedlings in Krishna Delta due to non-release of water from Nagarjunasagar Reservoir has been received at the Centre.

(b) and (c) The modified report of Pulichintala Project envisaging stabilisation of the existing irrigation in Krishna Delta at an estimated cost of Rs. 268.64 crores has been received in the Central Water Commission in July, 1993. The observations on hydrology, irrigation planning and foundation engineering have been sent to the State Government. The State Government is required to comply with these observations and sort out other techno-economic issues.

सिंचाई प्रणालियों का आधुनिकीकरण

4390. चौधरी हरमोहन सिंह:
श्री कनकसिंह मोहन सिंह मंगरोला:

क्या जल संसाधन मंत्री यह बताने की कृपा करेंगे कि:

(क) क्या सरकार ने लघु सिंचाई परियोजनाओं के साथ-साथ पुरानी सिंचाई प्रणाली का आधुनिकीकरण और उसमें सुधार करने का कोई प्रयास किया है;

(ख) यदि हां, तो पिछले तीन वर्षों के दौरान इस संबंध में ब्यौरा क्या है; और

(ग) इस संबंध में आठवीं पंचवर्षीय योजना में क्या उपबंध किये गये हैं?

शहरी विकास मंत्रालय और जल संसाधन मंत्रालय में राज्य मंत्री (श्री पी. के. थुंगन): (क) से (ग) विस्तार/नवीकरण/आधुनिकीकरण परियोजनाओं का राज्य-वार ब्यौरा दर्शाने वाला विवरण अनुपत्र में दिया गया है **[देखिए** परिशिष्ट 171, अनुपत्र सं. 76]
